CONSISTENTLY GOOD EVERYDAY

Universal supports the everyday demands of foodservice kitchens through dependable dairy products that simplify operations and deliver consistent results. Every product in the Universal range is designed to help chefs and operators work with confidence, offering practical, easy-to-use solutions that perform reliably across every service while adapting to modern foodservice environments.

Cubed
TASTY CHEDDAR

Full-flavoured tasty cheddar in a ready-cut cube format. Designed to reduce prep time and support consistent portioning, these cubes are easy to handle across prep lines, catering and high-volume service. Use where you need cheddar flavour, a defined cube format and reliable portion control without additional cutting.

CONSISTENTLY GOOD ACROSS EVERY MENU

Platters and catering
Ready-cut cubes for cheese platters, grazing boards, antipasto trays and function service.

Salads and bowls
Adds cheddar flavour, colour and bite to salad bars, deli salads and chilled prepared meals.

Pie and savoury fillings
Use in steak and cheese pies, savoury pastries and filled bakery items where a defined cheddar cube adds flavour and texture.
